Levels 1-6 certificate-only versions (\$150)

[elearn.byu.edu](http://elearn.byu.edu) > Courses > Continuing Education Courses > select Subject: MUSIC

*Level 1* – Beginning organ: for pianists with little or no previous formal organ training, or who need help in applying what they have learned in their organ playing.

*Level 2* – Review of basics: for those with organ training, but who would benefit from a review of basic legato organ technique, repertoire, hymn playing, and registration. Should be able to sight-read single-line melodies.

*Level 3* – Early intermediate: for those with substantial training and fluency in legato organ technique, repertoire, registration, hymn playing, and registration. Should be able to sight-read two-part music.

*Level 4* – Intermediate: for with substantial training and fluency in legato organ technique, repertoire, registration, hymn playing, and registration. Have training in playing organ pieces in both legato and articulate styles. Should be able to play easy four-part vocal scores, to sight-read simple three- and four-part organ music and hymns, and to transpose hymn melodies (only) up to and including a major second up and down.

*Level 5* – Early advanced: for those with substantial training and fluency in legato organ technique, repertoire, registration, hymn playing, registration, and in intermediate organ pieces in both legato and articulate styles. Should be able to play moderately difficult four-part vocal scores and easy choir accompaniments, to sight-read moderately difficult four-part organ music and hymns, and to transpose simple hymns into all keys up to and including a major second up and down.

*Level 6* – Advanced: for those with substantial training and fluency in legato organ technique, repertoire, registration, hymn playing, registration, and in early advanced organ pieces in both legato and articulate styles. Should be able to play more difficult four-part vocal scores and choir accompaniments, to sight-read more difficult four-part organ music and hymns, and to transpose moderately difficult hymns into all keys up to and including a major second up and down.

*The New LDS Organist* (A “quickstart” organ course in 12 podcasts & packet) (free online) [organ.byu.edu/newldsorganist](http://organ.byu.edu/newldsorganist)
